Our Vision is:

At Glenthorne, we aim to be an outstanding school where all children feel valued, believe in themselves, achieve well and who contribute positively to the community they are part of.

At Glenthorne, we believe that:

All children have a right to a caring and stimulating environment in which they will develop a high self-esteem and feel happy, secure and included.

All children have a right to an education which offers an equal opportunity to all.

All children have a right to a broad and balanced curriculum, enabling our children to achieve their highest potential.

At Glenthorne, we endeavour to:

Fulfil each child's potential in the development of skills, attitudes and knowledge.

Set and expect high standards of work and behaviour.

Keep parents fully informed of the progress of their children and foster close links between home and school.

Value and nurture the "whole child" and celebrate achievement both in school and outside of school.

Encourage a caring attitude and respect for themselves and others.

To be positive global citizens who are mindful of their actions.

Our aim is to develop:

Caring, confident and competent children.
