Parent Survey Feedback

This is from the separate e-mail sent asking for parents evening feedback on:

Flexible before/after school club longer hours/holiday clubs

After school English/Maths Lessons

More sports and dance/more exercise in school time

No pupil leaders in younger years e.g. Yr1 and EYFS

More residential trips

More updates of how to help your child

Considerate to working parents

More PE resource

Healthy Lifestyles - How can we support children to make healthy food choices and increase activity to support their development?

Parents Evening Feedback - This is the extra feedback about how the event is organised, timings etc.

Book Bingo - any comments about the book bingo activities and initiative.

School Start Time

Christmas Sing-a-long- feedback from those who attended the event and discussions about organisation of the event in the future.

It is really important if you are happy with current systems you make that known too. If things change and you haven't had your say you may feel frustrated. You can give your opinion by dropping a note to the office addressed to Parent Forum, speak to one of your representatives on the playground or e-mail glenthorneparentforum@hotmail.com. School teachers and I do not see the comments and they are reported anonymously, if requested.
