

This Home School Agreement reflects a collaborative commitment on the part of the Glenthorne Community Primary to

(a) articulate a set of values and principles which underpin our shared educational ethos

(b) set out clearly the expectations and ambitions of each of the key partners: the governors, the school, the students and the parents.

Our Values

We are committed to ensuring that our school is a community based on:

- honesty, fairness and openness in our dealings with others
- accepting responsibility for ourselves, our actions and our environment
- respecting the right of others to learn
- treating one another with courtesy and respect, caring for and supporting each member of our school community striving to be the best we can be, demonstrating perseverance and resilience

Thank you for your continued support

Please refer to the school policy for full details of the home school agreement. A paper copy can be obtained if requested at the school office or electronic copies are available to download on our school website:

As parents/ guardians we will...

Work in partnership with the school

Maintain the wellbeing of my child

Encourage my child to learn in advance and think independently

Support the school in its implementation of the behaviour policy

Ensure that my son/daughter is aware that his/her behaviour out of school is as important as in school

Take an interest in homework, ensuring that children read, complete spellings and talk for writing at least weekly and support children with their half term homework projects

Ensure that my child attends school in line with the school's dress code

Ensure that my child attends school and arrives punctually, unless there has been exceptional circumstances

Encourage my child to participate in new and challenging experiences including extra curricular activities

Ensure school has up to date contact details and respond to school communication in an appropriate and timely manner

Ensure I express my concerns directly with school and avoid factually inaccurate statements being published publicly or online

Be respectful of all members of the community
