

OUR NEW SCHOOL LUNCH SERVICE

From April 2017 we will be taking our school catering service in house with the help of Catering Management Consultants. Having our own, in-house catering will allow us to be more creative with our menus, offering the types of food that we know our children like and allow us to have a greater variety of fresh produce to choose from.

It also means that our catering staff, led by Mrs Tunstall, will become part of Glenthorne's whole school team. They will be working on Theme Days, Taster Days and other offers and promotions so please keep a look out on our school newsletter.

We hope to receive your support as **WE** provide fantastic school lunches; chosen by **US**, made by **OUR** team for **OUR** school community.
